

## Garden Menu

In these strange times of distance, we are having to work a little differently to keep you and our staff safe. However we don't believe in stripping the service out of hospitality – as such we have tried to make our service even better while keeping you safe by offering full table service in our Garden. This way we limit the numbers inside the hotel building and we will only come over when we are needed – you can stay safe, relax and enjoy our gardens!

1. **Please peruse our Food & Drinks Menu**
2. **Push the button to call for service and a waiter will come to take your order from a small distance. (please note you only have to do this once – with it being a large garden, when it is busy we may take a little longer to come over but please bear with us!)**
3. **Rather than serve each person, to keep you safe we will bring your order and place them at the end of the table for you to distribute.**
4. **When you want us to collect your plates, please just stack them at the end of the table, press the buzzer and we will come and collect it thereby minimising contact and keep us all as safe as possible.**
5. **At the end of the meal we will bring your bill and take payment at the table. Simple!**
